TO: Teachers/Staff

FROM: Erik vonBlankenburg, Director Operations and Sustainability

DATE: August 1, 2023

SUBJECT: AHERA District Information

As mandated by Federal Regulation 40 CFR Part 763, known as AHERA (Asbestos Hazard Emergency Response Act, enacted in 1987) local educational agencies must notify parents/guardians in writing each school year about the existence and location of AHERA related documents for each school building within their jurisdiction.

Our District is in compliance with AHERA Legislation that concerns asbestos in schools. It is available for review at the District Office, 230 Doherty Drive Larkspur, CA 94939.

If you should have any questions concerning the AHERA document or asbestos related activities, as the District AHERA representative I can be contacted at (415) 233-3906.
