

**INTERNATIONAL EXCHANGE**

The Board of Trustees recognizes that personal contact between students of different countries and cultures promotes global awareness and international understanding. To that end, the Board welcomes the enrollment of international exchange students and further encourages district students to take any opportunities that they may have to participate in such programs and study in another country.

With Board approval, a district school may establish a sister-school relationship with a school in another country.

**International Student Exchange Programs**

To enroll in a district school, an international exchange student must be participating in an exchange program registered with the California Attorney General's Office, designated by the U.S. Department of State and accepted for listing on the Council for Standards for International Educational Travel's Advisory List.

When necessary because of overcrowding within district schools or limited district resources, the Superintendent or designee may limit the number of international exchange students to be accepted at any district high school during any school year.

The district shall not incur any financial obligations when sending and/or receiving international exchange students. Program sponsors shall provide assurance of their responsibility for health/accident/liability insurance, the student's home placement, and the resolution of any related personal difficulties which may arise.

The Superintendent or designee shall establish district criteria for issuing regular or honorary diplomas to international exchange students. The principal or designee shall refer to these criteria when assisting international exchange students in selecting classes and cocurricular activities based on the student's individual qualifications, needs and interests.

District staff shall provide relevant counseling to district students who wish to study in a foreign country. District credit for courses successfully completed in the foreign country shall be granted in accordance with Board policy and administrative regulation.

**INTERNATIONAL EXCHANGE**

**Admission**

In order to approve the admission of an international exchange student, the Superintendent or designee must receive a written request for enrollment before the end of the preceding school year. Enrollment shall be for one year only.

All international exchange students shall meet state and district immunization requirements.

**Athletics**

International exchange students shall be eligible for participation in interscholastic sports in accordance with state bylaws of the California Interscholastic Federation as well as applicable section bylaws.

**Diplomas**

International exchange students may be considered for a diploma if they have satisfactorily completed the district's graduation requirements.

International exchange students who are not eligible for a regular diploma may receive an honorary diploma, provided they have completed at least one semester of full-time enrollment and achieved at least a 2.0 grade point average.

At the discretion of the principal or designee, international exchange students who do not meet requirements for a regular or an honorary diploma may, at the end of their visit, be given a letter certifying the time period for which they were enrolled.
